Company boilerplate

ironSource powers next-generation advertising which reaches billions of consumers worldwide, by connecting advertisers with users at moments when they're actively consuming digital media and content. ironSource serves a wide range of clients, from brands, performance marketers, app developers and publishers, to OEMs and carriers, bringing them the tools they need to grow their business. Established in 2010, ironSource is a truly global company, with a strong local presence in Tel Aviv, London, New York, San Francisco, Beijing, Bangalore, Seoul, and Tokyo.
